Re: Carlineo For Congress
FEC ID Number C00474049

Dear Commission:

I am both the Candidate and Treasurer for the Committee identified above. Enclosed please find a FEC Form 3 Report of Receipts and Disbursements for the time period since my last filing. Please note that there has been no activity during this period.

I have been filing electronically for years and am sending a paper copy because the hard drive on the computer that I use for FEC filings is corrupt and inoperable at the moment. I called the Commission for guidance and manually filled out the forms the best that I could.

While talking to the Commission, I indicated that I would like to close the Committee and was instructed to file a Termination Report. As such, in Section 4(a) of FEC Form 3, I checked the box for "Termination Report." Please help me close the account.

The only debt of the Committee is an unpaid loan made by the Candidate (me) in the amount of \$36,100. Upon closing, I intend to pay myself the remaining Cash on Hand. As the Cash on Hand is less than the unpaid loan amount, I will forgive the Committee the amount of the unpaid loan (approximately \$30,000) that will remain after I pay myself the remaining Cash on Hand. As such, the Committee will have no debts or obligations upon closing.

If you have any questions or need additional information, please contact me at:

Gloria Carlineo
